Both IB sessions will begin at 4:30 p.m.

TCMPS will be having an Open House at all 3 Campuses on Saturday, April 22nd. This is a great opportunity to invite your friends and family to visit the school and see first hand the students' work from pre-school through to high school. There will also be an IB information session at our Open House at 1:30 p.m. We look forward to seeing you at our Open House!

Easter Holidays

We wish to remind all our families that Town Centre Montessori Private Schools will be closed on the following dates:

Good Friday April 14th
Easter Monday April 17th

Classes will resume at their regular hours on Tuesday April 18th. We wish everyone an enjoyable and relaxing weekend.

Jump Rope for Heart

In February, elementary students participated in Jump, Hoops or Boxercise for Heart, to raise funds for the Heart and Stroke Foundation. With the generous contributions from our TCMPS families, we were able to raise a total of \$7015. We are very proud to continue to support this worthwhile charity and teach our students about the importance of an active and healthy lifestyle.

Earth Hour and Earth Day

Earth Hour was observed in each Campus on Friday, March 24th. It was a huge success and the students enjoyed the experience of having the classroom lights turned off. Students were made aware of the importance of conserving energy and saving the environment.

We will observe Earth Day on April 21st and will continue to talk about what each of us can do to help save the planet, and the different ways each of us can help to conserve energy.

International Day Celebrations

To celebrate the cultural diversity within our school community, on Thursday, March 9th the students attended school dressed in clothing representing their ethnic background. They also brought in traditional food which was shared with their classmates and teachers. It was a fun event, enjoyed by all!
