## International Day for the Elimination of Racial Discrimination

Every year on March 21st the United Nations marks International Day for the Elimination of Racial Discrimination. This day is one where we focus on committing and reflecting upon our efforts to combat and recognize all forms of discrimination, injustices, systemic racism and hate.

To coincide with the International Day for the Elimination of Racial Discrimination, we at Amarillo Campus will be celebrating International Day on this day, Tuesday, March 21st. All students are encouraged to dress in outfits representing their ethnic background, or country or region of origin.

As part of the celebrations, parents and guardians are invited to provide a food item representing their ethnic background, or country of origin. Food and snack contribution sheets will be posted outside the class rooms. Please sign up if you wish to contribute. Parents are asked to include an ingredient list for all food items brought to school. We strongly recommend store or restaurant bought foods.

In compliance with the Child Care Early Years Act, parents of our Toddler, Casa NT and Casa students, can volunteer to contribute only food prepared from licensed restaurants or grocery stores. If you have any questions please speak to one of the Vice-Principals.

## Earth Hour and Earth Day

The annual Earth Hour will take place on Saturday, March 25, 2023 at 8:30 p.m. Six continents, over 170 countries, and 24 time zones will be united as a global community, making our voices heard through individual action.

Earth Hour will be observed in each Campus on Friday, March 24th from 11:00 a.m. to 12:00 p.m. Students will be made aware of the importance of conserving energy and saving the environment.

We will observe Earth Day on Friday, April 21st and will continue to talk about what each of us can do to help save the planet, and the different ways each of us can help to conserve energy.
