## **International Day for the Elimination of Racial Discrimination**

Every year on March 21st, the United Nations celebrates International Day for the Elimination of Racial Discrimination. It's a day where we focus on fighting discrimination and recognizing all types of unfairness, racism, and hate.

To join in, at Amarillo Campus, we're celebrating International Day on Thursday, March 21st. We encourage all students to wear outfits representing their ethnic background, country, or region. As part of the fun, parents and guardians can bring a food item representing their heritage. You'll find sign-up sheets outside the classrooms. Please remember to include an ingredient list, for all dishes. We recommend store-bought or restaurant-prepared foods.

For our youngest learners (Toddler, Casa NT, and Casa students), food contributions must be from licensed restaurants or grocery stores, as per the Child Care Early Years Act. If you have any questions, feel free to speak with one of the Vice-Principals.

## PD DAY DUE TO SOLAR ECLIPSE ON APRIL 8TH, 2024

We wanted to inform you about an exciting celestial event happening on Monday, April 8, 2024 - a full solar eclipse! During this time, some areas will experience a temporary blockage of the sun's light, including here in York Region. While it's a fascinating sight, it's important to remember that looking directly at the sun during an eclipse can be harmful to our eyes.

In light of this, we've made some adjustments to ensure the safety of our students. Our upcoming PD Day, originally scheduled for Friday, March 8th, 2024, will now take place on Monday, April 8th, 2024. This means that all students, including Toddler, Casa NT, and Casa students, will have the day off. It's a non-instructional day for Pre-School, Elementary, and High School students, allowing our staff to participate in professional development.

**MARCH  
BREAK**

TCPS reminds families that the school will be closed for the March Break holidays from Monday, March 11th to Friday, March 15th.

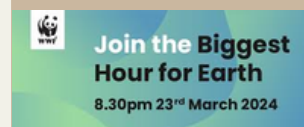

## Earth Hour / Earth Day

Get ready to join the global movement for Earth Hour on Saturday, March 23rd, 2024, at 8:30 p.m.! This annual event brings together millions of people across six continents, over 170 countries, and 24 time zones to show our unity and commitment to protecting our planet through individual actions.

To kickstart our involvement, we'll be observing Earth Hour at each Campus on Friday, March 22nd, from 11:00 a.m. to 12:00 p.m. During this time, students will learn about the importance of conserving energy and preserving our environment.

Additionally, mark your calendars for Earth Day on Monday, April 22nd! We'll continue our discussions on how each of us can make a difference in saving the planet and explore various ways to conserve energy. Let's work together to create a greener, more sustainable future for all!

## Parent Teacher Interview Day - Thursday, March 28th

Your child's report card will be sent home on Monday, March 25th, and Parent-Teacher Interview Day will take place on Thursday, March 28th. Look out for more details on how to sign up for these interviews. It's essential to book a time slot for your child once the booking information is available.

Please note that Parent-Teacher Interview Day is a non-school day for students. We're looking forward to meeting and discussing your child's progress with you.
