## International Day

On International Day, Thursday, March 10th we will celebrate the wonderful multiculturalism that we enjoy as Canadians. All students are encouraged to dress in outfits representing their ethnic background, or country or region of origin.

Due to the current pandemic no food will be allowed to be brought into the school. Students will enjoy this day through various cultural activities within their cohorts. We will do our best to make sure that students can still celebrate International Day but in a more limited fashion.

If you have any questions please speak to one of the Vice-Principals.

Families are also reminded that International Day, **Thursday, March 10th is the last day of school for our preparatory, senior preparatory and grade 1 students** before the March Break in order to accommodate a Professional Development day for TCPS staff on Friday, March 11th.

We hope you and your family have a safe and relaxing March Break. Classes will resume at their regular hours on Monday, March 21st.

## Earth Hour and Earth Day

The annual Earth Hour will take place on Saturday, March 26, 2022 at 8:30 p.m. Six continents, over 170 countries, and 24 time zones will be united as a global community, making our voices heard through individual action.

Earth Hour will be observed in each Campus on Friday, March 25th from 11:00 a.m. to 12:00 p.m. Students will be made aware of the importance of conserving energy and saving the environment.

We will observe Earth Day on Wednesday, April 22nd and will continue to talk about what each of us can do to help save the planet, and the different ways each of us can help to conserve energy.
