Register Now for September 2022!

We would like to thank all our families for your continued support of TCPS. Re-Registration has been ongoing since January and with the school year nearing completion, we are now making plans for the formation of classes, staffing, and other important decisions for September 2022. The last day of school for the 2021-2022 school year is Tuesday, June 28.

If you have not yet done so, please submit your registration form as soon as possible as spaces are filling up quickly. Registering your child today will ensure that they can be in the same school as their friends and classmates for the upcoming school year as class sizes will be capped. The administrative staff will be happy to answer any questions you may have.
