Register for School

As we look forward to the end of the school year, we would like to remind all parents who have not yet registered to do so as soon as possible. Summer will soon be here but there's still time to register for school before June 2022. Please speak to Mr. Lamanna or Ms. Bowerbank if you have any questions about the elementary program. If you would like more information about grades 9 to 12, please speak to Ms. Hajra or Mr. Huber in the High School Office. Parents may register via the school app, the school website, or in person at the office. Please click the link below to access the enrolment form from our website.

[Click this link to register for school](#)

Register for Summer Camp

We are making preparations for 2022 TCPS Summer Camps with safe and interesting activities for students between the ages of 6 to 14. Summer Day Camp offers extended care hours, variety of courses, and the most fun experiences for your child. Academic Boost Camp is a great way to keep your child's skills sharp over the summer!

IB Learner Profile Focus for May:**BALANCED**

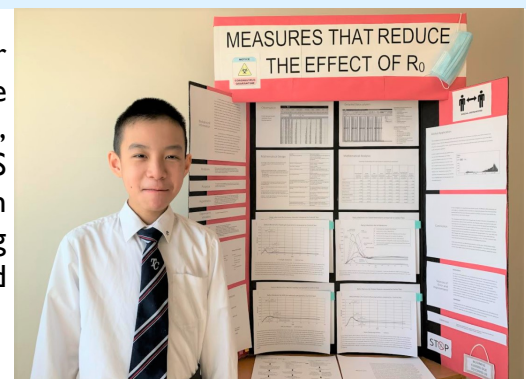

"We understand the importance of balancing different aspects of our lives -intellectual, physical, and emotional - to achieve well-being for ourselves and others. We recognize our inter-dependence with other people and with the world."

Earth Day Clean-up

On April 22, the TCPS grade 8 classes and Student Activity Council participated in an Earth Day Clean-Up at Highgate Park as part of an IB Middle Years Programme Community Project. Markham's Ward 8 Councillor, Isa Lee stopped by the park for a meet and greet with our students! It was gratifying for the students to be personally thanked by Councillor Lee for their efforts to help keep Markham beautiful. TCPS continues to be a proud City of Markham supporter!

TCPS TED Talks and STEM Fair

TCPS students in grades 5 to 8 are currently preparing for their major end of year projects. Students in grades 6 and 8 will participate in the STEM FAIR which is scheduled to take place on Friday May 27, 2022. Students in grades 5 and 7 will participate in our annual TCPS TED TALKS public speaking competition which should take place on Thursday, June 9. These two major events showcase the amazing talents and hard work of our students and staff, and we look forward to sharing the results with you.

Mother's Day and Victoria Day Holiday

We would like to wish all our wonderful mothers a very Happy Mother's Day on Sunday, May 9.

There will be no classes on Monday, May 23 for the Victoria Day holiday. School will resume on Tuesday, May 24. We would like to wish everyone a safe and enjoyable long weekend!

Spring Scholastic Book Fair

Prepare to let your imagination grow! Our Spring Scholastic Book Fair is right around the corner, and to ensure everyone can enjoy the magic of the Book Fair, we will be hosting both in-person and virtual fairs from **May 16-20, 2022**.

In-person students will have the opportunity to visit the Book Fair during preview days to build their wish lists, and will return to the fair during their scheduled class visit to purchase their books.

All students and their families are also welcome to shop our virtual fair. Orders will be sent directly to the school, so we advise placing your online orders before Thursday, May 19. The link below will be active starting May 16. **Scholastic Link**

With the end of the school year in our sights, the Book Fair is a great opportunity to pick up some new titles for summer reading or to get a gift for your grade 8 grads to prepare them for high school! We look forward to welcoming everyone to our Spring Scholastic Book Fair in May.

Grade 8 Graduation

With COVID restrictions lifting, the school is still proceeding with care and caution in resuming normal activities. However, as grade 8 graduation marks a special milestone in the lives of our students and families, we are pleased to announce that we are planning for an in-person graduation and parents of grade 8 students will be invited to attend this in-person event. We are excited to be hosting graduation this year and we remain hopeful that any future COVID restrictions will not affect our plans.

More detailed information will be sent to parents soon.

Parents are asked to note that the grade 8 graduation date is now scheduled for the morning of **Tuesday, June 21, 2022** (which is a change of date from our school calendar).
