IB Learner Profile Focus for March: Open Minded

“Open minded students understand and appreciate their own cultures and personal histories, and are open to the perspectives, values and traditions of other individuals and communities. They are accustomed to seeking and evaluating a range of points of view, and are willing to grow from the experience.”

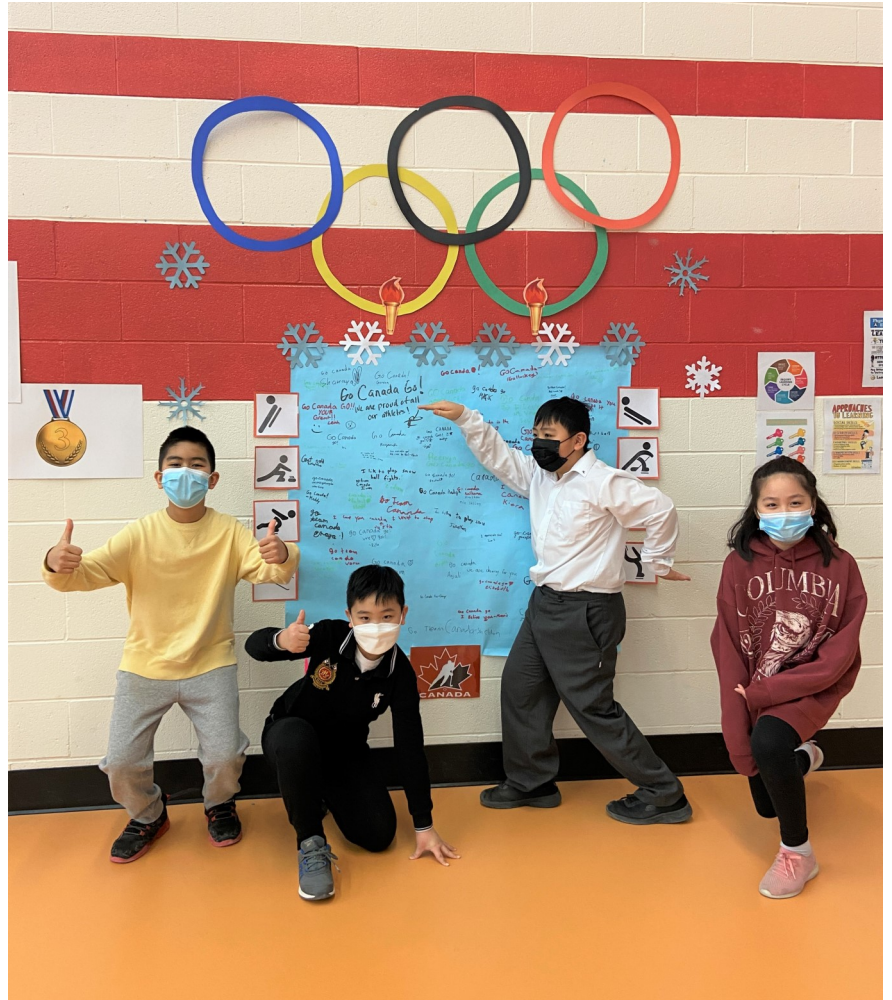

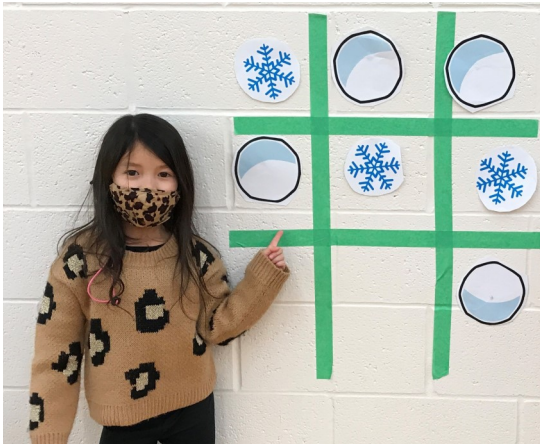

International Day March 10

Elementary students will have an International Day on Thursday, March 10, which will be a wonderful cross cultural experience for our students and staff, including a virtual presentation special performances by our students. On International Day, students are encouraged to wear traditional clothing representing their family's culture. Due to COVID restrictions, classes will not have a pot luck lunch. Students are asked to bring their own lunch and snacks as usual.

Grade 1 Visit Grade 2

On Friday March 4, Grade 2 classes will host a virtual presentation for our Amarillo Grade 1 students to visit the Grade 2 classes and get more familiar with the Main Campus. Grade 2 students can proudly showcase their classroom while Grade 1 students can get a glimpse of school life in the next grade. This orientation session is sure to be a great experience for our Grade 1 and 2 students and teachers.

Winter Festival Fun!

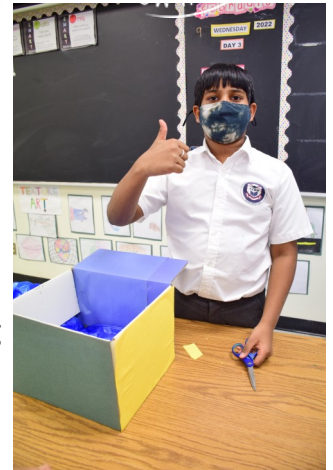

Grade 5 PYP Exhibition – Sharing the Planet

The Exhibition is a culminating project for the PYP. It is a collaborative inquiry in which students have a personal interest and requires them to apply their knowledge and skills acquired over their previous years within the PYP. The experience allows students to demonstrate initiative for taking action.

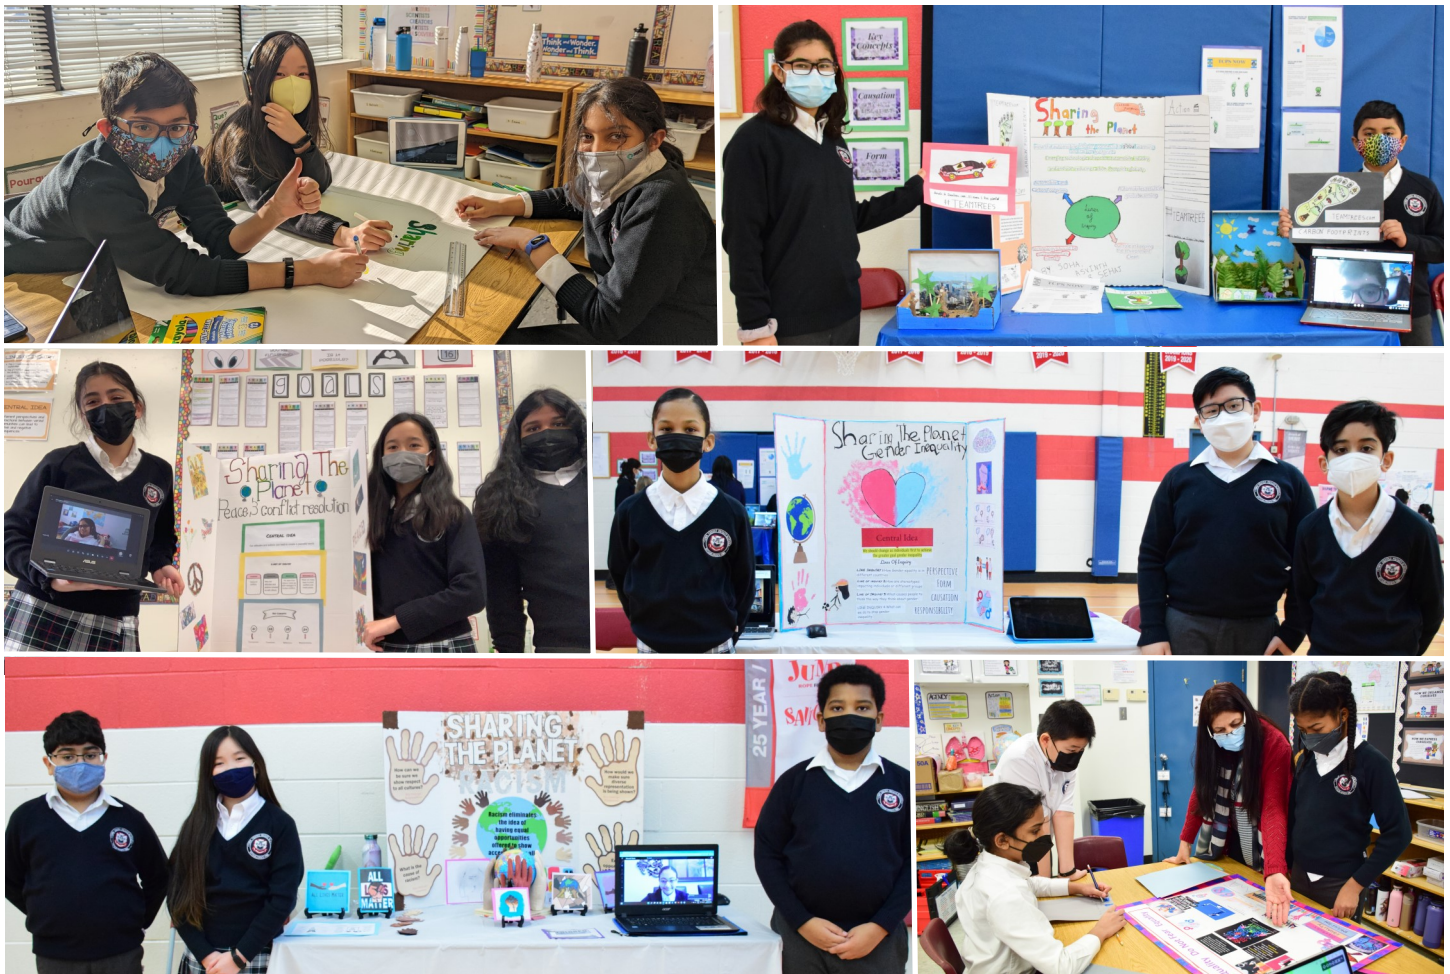

The theme for this year's PYP Exhibition is **Sharing the Planet**. Students worked collaboratively with their group and teacher mentors to create outstanding projects, leading up to the Exhibition. Focusing on current and globally important topics, the students showed maturity and deep thinking while presenting their work.

On February 25, the students were able to showcase their work in our first Grade 5 IB PYP Exhibition. The Exhibition was a celebration of student learning where student's video recorded presentations and project boards were on display in the Main Gym for our classes to view. A special thank you to Ms. Ho, Ms. Walia, Ms. Anand, and Ms. Velu and the all the teacher mentors for guiding and supporting the grade 5 students in this learning experience.

Congratulations to all our Grade 5 Students and Staff for an amazing PYP Exhibition!
