Register for 2022-2023

We are currently accepting registrations for the 2022-2023 school year. Thank you to all those parents who have already registered their children and have made TCPS the right choice for their child's education. If you haven't yet done so, we encourage all parents to register as soon as possible as we have already begun planning for the next school year. Registration can be done on the school app or on the school website. Click the link below to access the enrolment form from the website.

Summer Camps

We are making preparations for 2022 TCPS Summer Camps with safe and interesting activities for students between the ages of 6 to 14. No other camp can offer you the same services, extended care hours, variety of courses, and the most fun experiences for your child.

Click below to find out about our great summer camp programs!

IB Learner Profile Focus for April: Risk Taker

“We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.”

International Day

On Thursday, March 10, the students had a special International Day which included a virtual presentation with multi-cultural performances by our students. Thank you to all the participating students for their enthusiastic demonstration of singing, dancing, and artistic talent!

Canadian Red Cross Humanitarian Crisis Appeal for Ukraine

The Student Activity Council SAC held a civvies day fundraiser for the Canadian Red Cross Humanitarian Crisis Appeal for Ukraine in March. Thanks to the generosity of our students, parents, and staff, we were able to raise \$2025 to donate to the Red Cross. The SAC thanks everyone for their donations in support of this cause.

Happy Earth Day!

Go Tigers!

April 22 will be Earth Day and students will take part in various activities to promote support and awareness. On April 22 we ask all parents and students to pack a litterless lunch to support Earth Day.

Grades 3 to 8 Mathematica Contests

Each year our grades 3 to 8 students participate in the Thales, Byron Germain, Fibonacci, Pythagoras, Euler, and Lagrange contests as another means of enriching the Mathematics program at TCPS. The students and staff have been very busy preparing for these upcoming Mathematica contests, which are scheduled for grades 3 to 8 on Wednesday, April 6 at 9:00 a.m. We would like to wish all of our students the best of luck in these challenging contests.

Easter Break

We would like to remind all of our families that all divisions of TCPS will be closed for Easter on Friday April 15 and Monday April 18, 2022. School resumes as normal on Tuesday April 19. We wish everyone a wonderful long weekend!

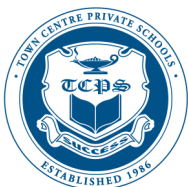

Happy Easter!
