## AFTER SCHOOL COURSES - TERM 2

Parents are reminded that the Fall Session (Term 1) of the After-School Courses will conclude on Friday, February 14th, and the Winter Session (Term 2) will commence on Tuesday, February 18th.

If your child was enrolled in Term 1 and you wish for them to continue in Term 2, re-registration is required. These courses provide an excellent opportunity to enhance students' school experience. For any inquiries about the programs, please contact the Office.

## Valentine's Day

Students are invited to celebrate Valentine's Day by wearing festive attire, including party clothes or red, pink, or white clothing. This will be a special party day for our students. Food and snack contribution sign-up sheets will be posted outside classrooms. Parents who wish to contribute are encouraged to sign up and must provide an ingredient list for all food items brought to school. We strongly recommend store-bought or restaurant-prepared foods.

### Toddler, Casa NT, and Casa Classes:

In accordance with the Child Care and Early Years Act, parents of Toddler, Casa NT, and Casa students may only contribute food prepared by licensed restaurants or grocery stores. An ingredient list must be included with all contributions. If you have any questions, please contact a Vice-Principal.

## Family Day - February 17th

All Town Centre Private Schools campuses will be closed on Monday, February 17th, in observance of the provincial Family Day holiday. Regular classes will resume on Tuesday, February 18th.

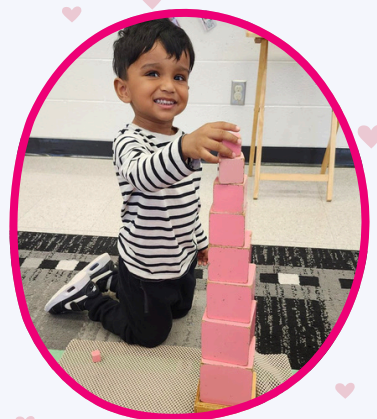

We wish you and your family a safe and enjoyable Family Day!

# Montessori Education Week – February 24 – 28

Join us in honoring Montessori Education Week from February 24th to 28th as we celebrate the impact of Dr. Maria Montessori's innovative teaching approach. A three-time Nobel Peace Prize nominee, Dr. Montessori developed an educational philosophy that nurtures self-discipline, respect for oneself, others, and the world by aligning learning with the natural stages of human development.

Throughout the week, students will bring home Montessori worksheets and craft projects to share their learning experiences. Be sure to explore our school's bulletin boards, where we will highlight the key subject areas that define a Montessori classroom: Practical Life, Sensorial, Language, Mathematics, and Culture.

## Income Tax Receipts 2024

Parents and guardians will automatically receive a receipt for 2024 tuition fees at the end of February. All tax receipts will be sent home with students—there is no need to request them. Please note that receipts will not be available before the end of February.
