INTERNET USAGE AND PERSONALLY OWNED ELECTRONIC DEVICES AGREEMENT FORM Grades 1 to 8

We are pleased to offer the students of Town Centre Private Schools (“the School”) access to computer networks for the Internet. To gain access to the Internet, all students under the age of 18 must obtain parental permission and must sign and return this form.

Access to the Internet will enable students to explore thousands of libraries, databases, and bulletin boards while exchanging messages with Internet users throughout the world. Families should be aware that some material accessible via the Internet may contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. The School believes that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed the disadvantages. But ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information resources.

SCHOOL INTERNET RULES

Students are responsible for good behaviour on the School’s computer networks just as they are in a classroom or a hallway. Communications on the network are often public in nature. General school rules for behaviour and communications apply. All policies apply regardless of which device a student is using and whether it is a school device or personal device.

The network is provided for educational purposes or to perform other activities as approved by the School. Access to network services is given to students who agree to act in a considerate and responsible manner. Parental permission is required. **Access is a privilege, not a right.** Access demands responsibility, and access privileges can be revoked.

Network storage areas may be treated like school property. Network administrators may review files to maintain system integrity and ensure that users are using the system in compliance with rules. Users should not expect that files stored on the servers will be private.

Within reason, freedom to access information will be honoured. During school hours, teachers will guide students toward appropriate materials. Outside of school, families bear the same responsibility for such guidance as they exercise with information sources such as television, telephones, movies, radio, and other potentially offensive media.

The following behaviours must be agreed upon:

- I understand and accept that the aim of Internet connection is for educational purposes.
- I understand that I may print only school related materials.
- *I understand that it is against School Policy:*
 - a. to take in or consume food, drinks, snacks, or gum in the Computer Labs
 - b. to use any form of chat or messenger services, or any bulletin boards or guest books, or make any sort of postings from school computers
 - c. to create, send or forward any email or other form of electronic communication deemed obscene, bullying, harassing or abusive either at school or away from school
 - d. to visit sites with unacceptable content
 - e. to use or download any programs, games, music services or files
 - f. to access materials which do not correspond with the expectations of school behaviour
 - g. to download or install any commercial software, shareware, or freeware onto any school computer
 - h. to access illegal materials, or materials which could be deemed questionable through the School’s Internet facilities
 - i. to send, create, store, or display inappropriate mail, messages, documents, graphs, files, or photos on any school computer
 - j. to copy programs on the computer network
 - k. to disrespect the resources and equipment of the School
 - l. to move any computer or its components from its original location

- I accept full responsibility and liability for my actions when using the Internet
- I will not use the School's computers for commercial or political purposes
- I will respect the rights, privacy and property of others. I understand that School administrators or teachers may review files to maintain system integrity. I will ensure that I am using the system responsibly
- I understand that if Town Centre Private Schools' staff suspect that I am using the computer inappropriately in any way, my computer privileges will be suspended. I understand that a reasonable suspicion is all that is needed to suspend my privileges since computer violations can ultimately affect the privileges of the whole school

CYBERBULLYING

Cyberbullying is the use of the social media, i.e. such as Facebook, Twitter or Snapchat, and related technologies such as cell phones to hurt other people and is unwelcome, or should be known to be unwelcome, intentional and may be persistent. It can be derogatory, defamatory, degrading, abusive, and or illegal.

Cyberbullying is a violation of School rules and policies. Cyberbullying is an offence for which a student can be suspended or expelled regardless if the offence is committed on or off school property and regardless of the technology used.

I have read, understood and agree to the Internet Usage and Personally Owned Electronic Devices guidelines and have explained it to my child. I further understand that any violation is unethical and may result in the loss of network and or Personally Owned Electronic Device privileges as well as other disciplinary action deemed as appropriate by the School Administration. My child understands the expectations and responsibilities associated with having access to the Internet, as well as their own personally owned electronic devices for educational purposes at school, if applicable.

As the parent or legal guardian of the minor student signing above, I grant permission for him/her to access networked computer services such as the Internet. I understand that individuals and families may be held liable for violations. I understand that some materials on the Internet may be objectionable, but I accept responsibility for guidance of Internet use, setting and conveying standards for him/her to follow when selecting, sharing or exploring information and media. CONSENT TO PARTICIPATE IN SPORTS

I, _____ being the parent or legal guardian of _____, formally give my permission to participate in TCPS sports activities including, but not limited to, intramurals, varsity teams, competitions, or recreational activities before, during and/or after school hours during the school year at or off Town Centre Private Schools' property.

For students who will be participating in the Small Schools Athletic Federation ("SSAF") sports program, parents and guardians must be aware that Town Centre varsity athletic teams are members of a competitive league and the events are oriented towards developing student athletes and also aimed at achieving championship banners. Coaches will continue to strive towards consistent fair playing time for all athletes; however, due to the nature of SSAF competition this will not always be possible and will be left to the coaches discretion.

I understand that all members of the team will be required to attend all practices and tournaments. Failure to be present at all practices and games may result in their dismissal from the team. Students will be travelling by bus, on occasion, to tournaments and as a result, they may be leaving school as early as 7:00 a.m. and arriving back at school by approximately 6:30 p.m. Students will be responsible for completing any homework and or any missed work from their class teacher due to game participation.

I understand that the team uniform is mandatory. I understand that failure to make payment for the uniform and participation fees by the deadline may result in the student being suspended from the team. Payment deadlines are indicated on the team memo.

I, the undersigned, hereby acknowledge that certain risks of injury are inherent to participation in sports activities. These types of injuries may be minor or serious and may result from one's own action or actions or inactions of others, or a combination of the above. I hereby warrant that the student is physically fit to participate in the above activity and understand that the choice to participate brings with it the assumption of those risks and results which are part of the activity.

I hereby release, hold harmless and forever discharge the Town Centre Private Schools and any of their respective officers, employees, coaches or agents, from any and all actions, causes of action, claims, and demands for damages, indemnity, costs, interest, loss or injury or every nature and kind whatsoever and howsoever which I have had, may now have or may hereafter have, in any way arising from my child's participation in sports activities.

I declare having read and understood the above consent agreement in its entirety and hereby consent to participate, acknowledge and agree to all the foregoing.
