## Open House

TCPS will be having an Open House at all 3 Campuses on Saturday, April 21st. This is a great opportunity to invite your friends and family to visit the school and see first hand the students' work from pre-school through to high school. We look forward to seeing you at our Open House!

## Earth Hour and Earth Day

Earth Hour was observed in each Campus on Friday, March 23rd. It was a success and the students enjoyed the experience of having the classroom lights turned off. Students were made aware of the importance of conserving energy and saving the environment.

We will observe Earth Day on April 20th and will continue to talk about what each of us can do to help save the planet, and the different ways each of us can help to conserve energy.

Keep updated with the latest TCPS news and events! Help us grow our presence; like us on Facebook, "Town Centre Private Schools", and follow us on Twitter, "tcmps@tcmps".

### **Chick Hatching Program**

On Tuesday, April 10th, our Chick Hatching Program will commence at the Amarillo Campus. The chicks require an incubation period of 21 days before hatching and are expected to hatch around on May 1st. The incubator will be on display in the Amarillo Office. Please stop by the Office to see the chicks' progress.

### **International Day Celebrations**

To celebrate the cultural diversity within our school community, on Thursday, March 8th the students attended school dressed in clothing representing their ethnic background. They also brought in traditional food which was shared with their classmates and teachers. It was a fun event, enjoyed by all!
