1. There will be no classes on Friday as teachers will have a P.D. Day to finalize Semester One grades and prepare for the start of Semester Two. Semester Two classes will begin on Monday, January 27. We will also have a brief rotation during the day for students to check in with their Semester One teachers to review their exams; more details to follow. Semester One reports will be mailed home on Thursday, January 30.
2. The revised master timetable (attached to this email) as well as individual timetables will be distributed to students in homerooms on Monday, January 27. Students wishing to change their timetables should pick up an “Add/Drop” form from the High School Office and return this, with a parental signature, during the first week of classes. Please see me or Ms. Hajra if there are any questions with this procedure.
