1. All students should receive *MarkBook* printouts of their grades for Semester Two courses on Monday. Students may also receive Early Warning Letters (EWLs) if they are not achieving as well as the teachers believe they can. Hard copies of EWLs are mailed to parents, and students receiving EWLs are assigned to mandatory tutorials until such time as their grades improve. Please see Mr. McCarthy or Ms. Hajra if you have any questions about this procedure.

2. Grade 12s have made appointments to have grad photos taken Tuesday and Wednesday. Their appointments should be during their spare periods wherever possible.

3. Thursday, March 12 is "International Day". In the High School, this is a **student-driven** event led by the House Council. Interested students prepare activities for their peers for the afternoon and the entire student body will participate. Period 4 and 5 classes will be cancelled on this day, and all students and faculty will be encouraged to wear "national dress' for House points – 'civvies" will also be permitted.
